

## NEW Online Video Training For Human Trafficking Investigations

In this 75 minute online video training program key elements of THE REID TECHNIQUE® are narrowly applied to human trafficking investigations. Interviewing and interrogation strategies are supplemented with detailed case examples that are relevant for even the most seasoned investigators.

Topics include:

- Victim interviews,
- Witness interviews
- Informant debriefings
- Both direct as well as thematic approaches for the interrogation of
  - Transporters
  - Recruiters
  - traffickers

In this program you will learn how to properly conduct:

- Human trafficking victim interviews
- Witness interviews
- Transporter interrogations
- Recruiter interrogations
- Trafficker interrogations
- Debriefing of informants
