

# CYBER LIAISON OFFICER COURSE

## PARTNERS

[Register Now](#)

**Wednesday, April 15  
8:00 AM- 5:00 PM**

**POST  
410 West 9800 South  
Sandy, UT 84070**

### YOU WILL LEARN:\*

- process of responding to a cybercrime victim call
- basic understanding of how cybercrime is committed
- identifying persons to interview
- identifying and gathering evidence to continue the investigation

### YOU WILL BETTER UNDERSTAND UTAH RESOURCES:

- Statewide Information & Analysis Center (SIAC)
- Utah Cyber Center (UCC),
- State Bureau of Investigations (SBI)
- Regional Computer Forensics Laboratory (RCFL)

*\*This course is not designed to teach students how to solve a cybercrime, rather, it is meant to develop an awareness of the first responder's role in addressing cybercrime.*
